Comment:

I have been working with Mr. Khanna for the past few years or so and it is such a pleasure working with him and his team members. I have worked with quite a few attorneys in the area and can easily rate him as the best of the lot. Dealing with immigration issues can be nerve wracking and frustrating especially when you have a 2% chance for success. But his in-depth knowledge of the law, his professional and pragmatic approach is very reassuring. You never feel rushed when discussing things with him and he is happy to answer all questions with patience. Would definitely recommend him.
