**Comment:**

It has been always a pleasure to follow the guidance of Mr Rajiv Khanna and his team. They bring immense knowledge in immigration process and they have helped a lot in getting me through the phase of GC. From my non-immigrant visa to LPR, it has been a wonderful journey with Rajiv Khanna and his team. He is always reachable for any kind of discussions or clarification required. His team members especially Heather and Diane Lombardo are really outstanding. They are always on their tip of toes in providing the information and proactive in any process or information follow ups. I heartily recommend Rajiv Khanna's office for any immigration related process and there is no question of regretting.

Thank you very much Rajiv Ji and team!! God bless all!

Regards,

Gautam
