## Rajiv's News Clips - H-1B visa denials at all-time high <sup>[1]</sup>

Submitted by Chief Editor on Aug 10th 2019

Rajiv S Khanna, Managing Attorney at law firm Immigration.com, said, "Rate of denials have gone up across the board in all legal immigration cases, especially (relating to) H-1B visas. The government has created an environment where the responses for the RFEs have increased from 30-50 pages to 600-1,000 pages for an H-1B case. It has increased its own burden of processing cases and that's why cases are taking much longer to process than they used to."
