# Gap in Employment during AOS

## Gap in Employment during AOS <sup>[1]</sup>

Submitted by Chief Editor on Jun 23rd 2008

My friend lost his job on Friday when he was working on EAD (this is not the employer who has applied for GC). His i-140 was approved last year in May. He is looking for new job which would take couple of weeks. I have following question for the situation:

### **ANSWER:**

Q1. Is there any limit or restriction for number of days without work between changing job?  
Ans. No. I do not believe a few weeks should make a difference.

Q2. Will this impact his GC process?  
Ans. Not as long as he is eligible for AC21 portability.
