Comment:

Ever wondered to find an immigration attorney who not only takes interest in working with you saving your time but also knows the current immigration landscape. This is exactly how I feel about working with Rajiv and Diane they are masters in what they do they're sincere well-versed with the current immigration landscape in the US. I could not thank them enough for the thorough analysis and guidance Through the EB1 one green card process. Also big kudos to Marty for all the work you do!! This is actually a dream team. God bless.
