Discussion Topics, Thursday, 19 March 2020

FAQ: EB-1C - What if my priority date does not become current before my L1A expiry? Should I file an H1B for safety? If I do, will I get moved from EB1 to EB2 ? Should my wife try for H1B ? Is there any maximum number of tries for H1B? If neither me nor my wife manage to get a H1B visa in the next 3 years, is it ok to exit the country and come back when EB1 priority date becomes current ? What visa will I come back with? || Loss of job/laid off during Covid/coronavirus times

OTHER: Moving from a cap exempt H-1B, extension etc. || Apply for an H-1B extension while another MTR is pending || Rejoining old employer after withdrawn I-140 || 60 days grace period for H-1B || Travel during EAD/AP renewal || H-1B transfer or AC21?
