3 years of experience in IT field and completing a Masters degree - EB2

3 years of experience in IT field and completing a Masters degree - EB2 ^[1]

Submitted by Chief Editor on Oct 22nd 2009

I am having 3 years of work experience. My intention is to complete my masters. Is it good to do MS with having 3 years of work experience. Please suggest me on this. Thanks in advance.

ANSWER:

I assume you are asking whether you can process an EB-2 green card. The answer is yes, once you complete your Master's degree and take up a job that requires such degree or Bachelor's plus five years experience.

Unless the context shows otherwise, all answers here were provided by Rajiv ^[2] and were compiled and reported by our editorial team from comments and blog on immigration.com ^[3]
