## B-2 Visa Multiple destination

### B-2 Visa Multiple destination [1]

Submitted by Chief Editor on Apr 12th 2010

My grandmother has a B2 visa to visit Guam. After her two week stay, she wants to visit her other daughter in California but she will have to go back to Philippines for a day because its cheaper to travel from Phil. to Cali. Can she still use the same B2 visa. When will she have to surrender her I-94? After the California trip?

#### **ANSWER:**

As long as the *visa* is valid and permits multiple entries (not all visas do), I see no problem.
