The Federation of State Boards of Physical Therapy (FSBPT) Suspends Exams for Graduates of Certain Overseas Programs

The Federation of State Boards of Physical Therapy (FSBPT) Suspends Exams for Graduates of Certain Overseas Programs ^[1]

Submitted by Editor on Jul 22nd 2010

The Federation of State Boards of Physical Therapy's Board of Directors has reaffirmed its prior decision to suspend NPTE testing for candidates educated in Egypt, India, Pakistan and the Philippines until the NPTE-YRLY can be developed. The Board has directed staff to develop the NPTE-YRLY examination as quickly as possible, but we project that it will still not be available until the latter part of 2011. We have not determined test locations yet.
