Visit visa and work

Visit visa and work [1]

Submitted by Chief Editor on Oct 18th 2010

I have B1/B2 visitor visa and I am planning to visit USA. I also have job offer from one of the company in USA. They are asking me to come on visit visa and then they will apply for my work visa (H1) while staying in USA. Should I accept their offer and travel with my spouse and children?

ANSWER:

This could be viewed as fraud by the government.
