**Comment:**

My wife and I recently got our citizenship case approved. Our case was a fairly complicated case because we were out of the country for 2 years after getting our GC and had returned since then. While every other lawyer we enquired they asked us to wait for 5 years since our return, immigration.com was able to sort our case and file for it much earlier using the 4yr - 1 day rule. I was amazed at the responsiveness from the team at immigration.com. Every time I had a question, they would respond within 24 hours or less and definitely understood the laws surrounding citizenship approval. My special thanks to Mr. Chacko and Mr. Art Shifflett who handled our cases.
