# Mexican citizen with a valid TN visa

## Mexican citizen with a valid TN visa <sup>[1]</sup>

Submitted by Chief Editor on Dec 5th 2012

Isn't it true that a Mexican citizen with a valid TN visa may be admitted to the United States in TN status for up to three years, provided that the individual's passport will remain valid throughout this period and the individual is otherwise admissible?

### **ANSWER:**

U.S. Customs and Border Patrol (CBP) indicates that a Mexican citizen with a valid TN visa, if otherwise admissible, may be admitted as a TN for up to three years, if applicable, provided that the applicant's passport remains valid during the duration of that period of time.
