Comment:

My question to Mr. Khanna was on B-2 visa application for my Mother while simultaneously applying for her immigrant visa petition and adjusting her status in the USA during her stay. Additionally, he has assisted me with my own Citizenship questions earlier. As always, Mr. Khanna provided me with valuable insights and information on how to proceed that would best benefit my situation and my Mother's case. What I liked most is, him being very punctual in getting back to delivering on promises and with accurate opinions. I applaud Mr. Khanna and his team for the work they are doing - helping so many people with their immigration needs. I would always feel comfortable knowing his services are excellent in getting the job done, on time! Thank you!
