Comment:

Rajiv and his team bring an unprecedented level of expertise in the matters relating to immigration, and I, personally, and my organization have used their services on a number of occasions with a 100% success rate. The principal reason is their mastery of the overall process in general, but more importantly their keen understanding of the subtleties and nuances of unique circumstances that need special treatment/attention. We are gung-ho on them and have no hesitation in recommending them to anyone.
