Comment:

I have worked with Mr. Khanna and his staff on H-1B and green card applications for a few of my employees over the last 4 years. Never having done this before previously and with very limited knowledge of the immigration arena, I have found all of the staff members to be extremely helpful There is never a time where I can't ask questions or seek guidance. Communication is very important and they never dissappear on me. Rather than it feeling like a client-lawyer relationship, I feel like it is more of a partnership. They are here to make the process smooth and as painless as possible. I would recommend their services to anyone who is in need, whether it be an individual or an employer.
