National Hockey League (NHL) and Vermont Service Center Meeting

National Hockey League (NHL) and Vermont Service Center Meeting ^[1]

Submitted by Chief Editor on Jul 1st 2014

The National Hockey League (NHL) requested USCIS to hold a teleconference during its annual conference. During that teleconference, NHL counsel posed several questions to USCIS.

The question and answers are provided below (see attachment) for the benefit of interested stakeholders. In order to avoid repetition in the answers, USCIS notes that it stated several times that each petition must establish visa eligibility on its own merits. The Vermont Service Center (VSC) does not maintain a central document depository for O and P nonimmigrant visa petitions. If there is information that is helpful for understanding the case, then it should be included when the petition is filed.
